Into Forever
By: Rachel Ziolkowski

*Yellow Butterflies surround your head
As we watched time go by;
I don't remember all that you said,
But I know you taught me how to fly.*

*I'd be lying if I said this moment came without fear,
But, if I waste my time crying there's so much that
I'll miss here.*

*Breaking out today into forever
On these past three years,
But if all our mistakes had been corrected
We'd never learn from those tears.*

*Snow and fog and stress collected
On these past three years,
But if all our mistakes had been corrected
We'd never learn from those tears.*

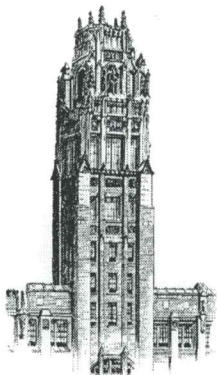

*This good-bye is the hardest thing to say,
But we'll never grow if we don't grow in our own way*

*Breaking out today into forever,
Finally brave enough for now or never.
One last step we have to take together
Breaking out today into forever.*

Here we go....

*Breaking out today into forever
Terrified for this now or never
One last step we have to take together
Breaking out today into forever*

*Breaking out today into forever
Just crazy enough for now or never
One last step we have to take together
Breaking out today into forever*

Alma Mater

Lincoln shining torch of learning
You will always be
Tower light forever burning
For the world to see.

Chorus

Raise your voices now to praise her
Raise them to the sky
We will love our Alma Mater
Till the day we die.

May the friendships that we've made here
Ever strong and true
Like the mem'ries that we hold dear
Keep us close to you.
